**INSTRUCTIONS FOR FISCAL SERVICE FORM 232 - READ CAREFULLY**  
**SEE 31 CFR Part 240 for more information**

1. A specific power of attorney, which must be executed after the issuance of the check, describing the check in full, as prescribed in *31 U.S.C. 3727*, may be used for the endorsement and collection of any check drawn on the United States Treasury.

2(a). Where desirable or where required by foreign, state or local law this power of attorney should be acknowledged by the grantor in the presence of two attesting witnesses, and should be acknowledged before a notary public or other officer authorized by law to administer oaths generally. If in a foreign country, the acknowledgment should be made before a United States diplomatic or consular representative. If such an officer is not available, it may be acknowledged before a notary or other officer authorized to administer oaths, but his official character and jurisdiction must be certified by a United States diplomatic or consular officer, under the seal of his office.

2(b). Where the power of attorney is acknowledged pursuant to paragraph 2(a), the seal of the attesting officer must always be impressed (or stamped) provided, however, that where acknowledgments before a notary public, or other officer authorized by law to administer oaths, are not thus authenticated by the official impression seal of such officer, the power should be accompanied by a certificate from the proper official showing that the officer was in commission on the date of the acknowledgment. The date when the officer's commission expires should appear in any event. If a certificate is furnished, such certificate should show the dates of the beginning and expiration of the officer's commission, and such period of commission should include the date of acknowledgment of the power.

2(c). Notwithstanding the foregoing, persons subject to military jurisdiction may acknowledge powers of attorney before officers specially designated for that purpose pursuant to law.

3. This power of attorney is revoked by the death or incompetence of the grantor and may also be revoked by notice from the grantor to the parties concerned. Notice of revocation to the Treasury will not ordinarily serve to revoke the power.

4. If it is desired that checks be mailed to the attorney instead of to the payee, formal notice of change in the post-office address, identifying the checks affected, should be forwarded to the administrative office that authorized issuance of the checks.

5. POWERS OF ATTORNEY NEED NOT BE FILED WITHIN THE UNITED STATES TREASURY.
